FAREWELL FLOWERS

Price Guide

GREEN FAREWELL FLOWERS

At Old Bakery Flower Garden I would love to help you find the perfect farewell flowers. So the flowers can be a totally personal tribute it would be good to have a conversation about your loved one. There may be a favourite colour, flower or possession that you would like incorporated into the design.

We can then decide together how to make the floral tribute unique to them. Alternatively you may prefer to choose a more traditional design such as a casket spray which can be taken apart after the funeral and distributed to friends and family. All my designs are compostable, and so environmentally friendly. As far as possible the flowers will be locally grown, although in the winter months I may use other British suppliers. I use beautiful, natural looking flowers and foliage, which will make a wonderful tribute to your loved one..

HOW I WORK

I work from The Old Bakery, in Walford, and also grow flowers on another local plot. We can arrange to meet at The Old Bakery to discuss your farewell flowers, or you may prefer to have a conversation via email.

Deliveries

The flowers can be delivered to your chosen undertaker in Ross, Newent, Coleford, Cinderford, Lydney or Monmouth or to your home within an approximate radius of 15 miles.

Delivery is £1 per mile. Or you may prefer to collect the flowers from me.
